JOIN THE **IMPACT HERO DAY**

25 May 2021 | 9-19 CET | Online
CLIMATE CHANGE - CIRCULAR ECONOMY - SUPPLY CHAIN

The 'Impact Hero Day' is a one-day online-accelerator day for social and sustainable ventures working in the field of climate change, circular economy and supply chain - thereby making a sustainable contribution to responsible business practices. The ventures apply with a challenge that they are currently facing - you can help us support the ventures in solving their challenges collaboratively during one day.

Why should you become a volunteer?

Join the Impact Hero Day and support the development of social and sustainable ventures with your expertise, input and unique point of view. Work together with other volunteers from leading companies and aspiring entrepreneurs from all over Europe and help them with your own skillset to tackle their challenge. Gain new insights for your own work, meet like-minded people and work in a digital international start-up atmosphere.
